The renter and the driver have to be in possession of a valid driving licence.

Driving licences from non-EU countries (except Switzerland) are accepted if:

- no visa has been entered in the passport.
- the customer has a visa in his passport and at the time of hire has not been in Europe for longer than 6 months. If he has been in Europe for longer than 6 months, he must present a driving licence from an EU country.

Driving license printed with non Roman Alphabet (Arabic, Chinese, Japanese, Cyrillic etc) must be complemented by an International driving licence.

For driving licenses from countries not part of the international driving license treaty, an official translation of the license must be presented with the original license.

Please show a valid ID card or passport at time of pick up!

#### Special rental information by booking of Prepaid rates

##### > Changing booking

A booking can be changed up to 48 hours before the start of the rental (on availability) in return for an alteration charge of EUR 20.00. #### Conditions of Payment

##### Flexible rate

We accept all credit cards from internationally recognised credit card companies - such as American Express, Eurocard/Mastercard, Visa, Japanese Credit Bureau, Diners Club and Discover Card.

We do not accept any prepaid cards or debit cards (Visa Electron).

Sixt also accepts AirPlus as payment.

Vehicles from the PDMR group and higher as well as Special Cars can only be hired with a credit card accepted by Sixt or a Sixt credit/identification means. All other vehicle groups as well as Convertibles from the MTMR, CTMR and ITMR groups and Offroaders from the SFMR group can also be hired with a German Maestro-/Girocard.

Maestro-/Girocards cannot be used to pay for long-term hiring.

### **Prepaid Tariff**

The following credit cards are accepted: Eurocard/Mastercard, AmericanExpress Card, VISA Card, Japanese Credit Bureau, Diners Club and Discover Card.

Debit cards (VISA Electron) are not accepted.

The renter must be the owner of the indicated credit card. The authorised driver details and method of payment will be confirmed at reservation stage and cannot be amended. The confirmed credit card should be valid and available for presentation on collection of the vehicle. All extra costs that occur during the car rental will be charged to this credit card.

By booking a prepaid rate, the credit card will be charged before the start of rental, directly with the estimated total amount of rental. The amount that will be charged on your credit card comprises the price of the rental as well as all additional extra fees.

The rental charge (plus any other charges agreed, e.g. exemptions from liability, delivery charges, airport charges etc.) plus Value Added Tax in the statutory amount applicable from time to time must, as a matter of principle, be paid in full for the agreed rental period, i.e. if the vehicle is collected late or returned early there shall be no refund.

### **Generally**

A deposit of up to three times the hire price is charged to the chosen means of payment as a security. The deposit for high-value vehicles may differ. The exact deposit is determined on collection since the amount is dependent on the vehicle.

Before one vehicle of the following vehicle groups is hired, we always obtain an approval to the amount of EUR 2,600.-: Premium (P\*\*\*) and Luxury (L\*\*\*)

Before one vehicle of the following vehicle groups is hired, we always obtain an approval to the amount of EUR 4,000.-: Extraordinary (X\*\*\*)

Please contact the Sixt staff for further information.
